EXPERIENCE

Stock Manager

January 2018 - Present

Fort Thomas Florist, Fort Thomas, Kentucky

- Manage small teams of individuals in completing tasks for the company's sustainment and growth.
- Document inventory of specific products and report analytics back to supervisors.
- Engage with clients and inform customers about various products and prices.

Software Developer

January 2020 - December 2020

Ulliman Schutte Construction, Miamisburg, Ohio

- Organized and developed realistic virtual reality (VR) models that were deployed to clients and used throughout the design phase of construction projects.
- Developed and implemented various intuitive VR features such as scaled measure tools and menu systems using C#. These features solved various contingencies and allowed models to feel realistic.
- Aided in implementing a new company-wide Enterprise Resource Planning (ERP) system through custom log and query generation.

VOLUNTEERING

Henry Hosea House; Newport, KY

February 2015 - Present

- Cooperate with kitchen managers in completing tasks to prepare for customer arrival.
- Serve food, wash dishes, and interact with customers as they enter and exit.

VA Medical Center; Cincinnati, OH

January 2018 - Present

- Collaborate with GE Aviation to hold quarterly events for disabled American veterans.
- Organize games, activities, and interact with veterans during the event.

LEADERSHIP

Youth Group Mentor; Fort Thomas, KY

August 2015 - May 2018

- Mentored younger members of my church at a weekly youth group focused on community engagement and living a faith-filled life.

Frassati Boys Club Leader; Fort Thomas, KY

September 2017 - May 2018

- Conceptualized and helped start an after-school boys club at a grade school focusing on teaching young boys how to mature into respectable and considerate young men.
